25X1

- Beginning at 3:30 p.m. on 15 July 1952, six boxcars with officers and EM, billeting equipment and utensils and 30 flatcars with sideracks carrying 16 pontoons and trucks were unloaded at the Sperenberg (N 53°28' E 080°) railroad station.

25X1

The troops left the station in the direction of the Schumke Kaserne. Another train consisting of 3 boxcars with officers and EM, 1 boxcar with billeting and signal equipment and 20 flatcars with sideracks with pontoons and motor vehicles were unloaded at night on the same day.

25X1

These troops also left in the direction of the Schumke Kaserne.* Three trains consisting of a total of 135 cars carrying AAA units and equipment were loaded at the Sperenberg railroad station on 20 and 21 July. [redacted] they were dispatched in the direction of Rostock. A total of 21x76.2-mm AA guns, 8 searchlights, about 110 cm in diameter, 2 field kitchens and billeting equipment had been loaded.

* [redacted] Comment. The trains which arrived in Sperenberg on 15 July, definitely carried components of the 35th Engr Regt (US) of the Third Gds Mecz Army which were returning to its post from the engineer training area in Wittenberg. Another train was also reported

25X1

[redacted] Comment. The trains seen on 20 and 21 July were also reported [redacted] and went to Neubukow. [redacted] They carried elements of the 2d Gds AAA Div which moved to Musterow.

25X1

25X1

[redacted] Comment. The engineer course of instruction for officers held with the 35th Engr Regt (US) stationed in the Schumke Kaserne tends to indicate that the course was conducted on orders of the Third Gds Mecz Army.
